Canton Contra

East Cherokee Dr. (Cherokee County) to Canton

Camping: Heritage Park, Canton

Day 3 takes paddlers on a zig-zagging 12-mile course through eastern Cherokee County. Paddlers will see more Native American fish weirs and watch the river go from rural to urban as it enters the City of Canton.

The take out is directly below the Waleska Street Bridge in Canton. Showers, and perhaps a dip in the YMCA pool, await paddlers—not to mention all the suburban sprawl a hungry paddler needs—all within walking distance.
